2020-2021 PARENT PARTICIPATORY EXPECTATIONS

GENERAL PARENT MEETINGS – Attendance Required

Three required meetings are held, one each in August/September, January, and May. One service hour per family is applied to those families who sign the attendance sheet. These meetings have specific agendas and start promptly at 6:00 P.M. Workshops may be conducted during these meetings to facilitate the upcoming participatory events.

SERVICE HOURS CREDIT

Service hours are earned via activities that provide a service or make money (profit) for the school. Donations maybe be given in leu of working service hours, however that must be approved by the principal before any donation may be accepted.

SERVICE HOURS

Each family is asked to work **40 (forty) service hours per year** from August to the end of May. Only individuals listed on your emergency card will be eligible to work your service hours. Special arrangements can be made with the principal in advance so that others can work hours for you. At the end of each service hour period, a fee of \$40 per hour is assessed for hours not completed. Be sure to sign in with a teacher, committee chair, or in the school office to receive credit.

--

Unworked Dia De Los Muertos Event service hours will be billed the following week.

Partial hours will receive partial credit. Hours worked beyond the requirement **will not be carried over to the next school year**, unless approved by administration.

All participatory expectations are subject to change if the program is revised during the year or for the start of a new year. Contact the school office by phone or email regarding discrepancies. Invoices for unfulfilled service hours will be sent out within 2 weeks.

Please, see list on back for service hour opportunities. Specific participatory event committee chairs can earn 40 service hours. Failure to fulfill obligation of chair responsibilities will result in pro-rated billing.
